Great presentation. Great content.
And the best production by far.

—KARSON WITHAK

Great presentation! I knew you would be the guy to produce your own show. It really shows how passionate you are about being a professional entertainer. You make it fun! They need to let you host your game show for warm up sessions at the MBA & Mobile Beat! You have a way with the audience that is very engaging!

Thanks Rob. I love all of the NSA speakers, but your presentation had the most impact on my business so far. I just finished a group coaching call using a game and they loved it! They said it was the best session so far! Thank you for helping me realize it's not so difficult to game. :-)

—DARYL BENNETT

Your production was great! Loved the videos embedded in phones and computer screens, super nice touch.

—ERICK MINER

It really was a solid presentation.
Raw and genuine!

—KG ENTERTAINMENT

Thanks for delivering a great presentation. You made all of these other guys look bad by just sitting down, and seeming unprepared. Ha! That's why you're one of the greats.

Honestly, the social media imagery for me. Sounds like a no-brainer, but I realized I should have some MC-related imagery as a default part of my profile. I'm planning on making that change soon.

My favorite was when you spoke about getting creative with alternate phrasing. I also liked dissecting speech and language... ready to retire the tired fall-back phrases.

— HOWARD WALSTIEN
